PITTSBURG, May 13.—The Cleveland team played a brilliant game today and en- countered little difficulty in taking the final game from the Filippinos, 9 to 4. Starting scoring in the very first inning, the visitors assumed the lead and the locals were never dangerous. Pond, who was on the mound for the Cleveland team, pitched splendid ball and after the game was securely sewed up, took respite.

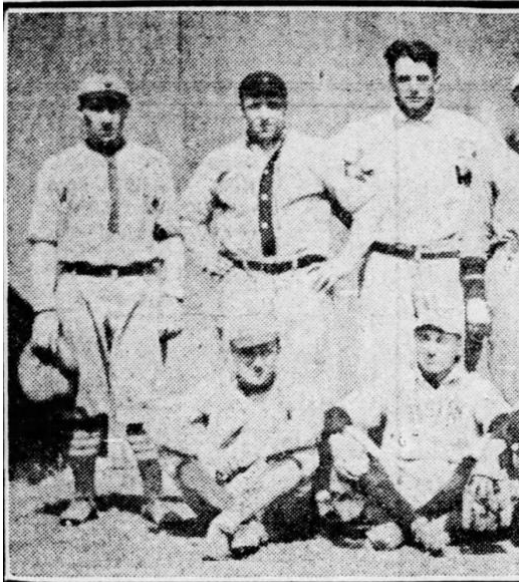

Cy Young's men hit the ball hard and took advantage of every misplay made by the locals. Better fielding than that by his band has not been witnessed here this season.

Kirby was badly spiked in the second in- ning when GRAHAM, the local catcher, slid into him at second, inflicting a long gash in his left foot.
