Besides Ritchey, Harry Symes, of Bellefonte academy, a pitcher, 23 years old and five feet, 10½ inches tall, is in the fold. Symes weighs 170 pounds. He was known throughout the central part of the State as being one of the best college twirlers in the business. James Scanlon, a local boy, hailing from the

There is a fly in the ointment on account of the fact that Harry Symes, the diminutive pitcher obtained by Manager Phillips of the local team from Bellefonte Academy last year, has gone over to the Pittsburgh team of the United States League. Youngstown is trying to trade Catcher Goes for Pitcher Schettler of the Lancaster Tri-State League. Manager Phillips has ordered James Cleary, "Mully" Miller and Frank Boutcher, held by Youngstown, to report here at once or suffer debarment from organized ball. He says he will not do business with the holdouts after April 1.

PENNANT GOES TO WILKINSBURG TEAM
The pennant for the season of 1912 will go to Wilkesburg in the County league as they defeated Sewickley by a score of 2 to 1 in one of the best games ever played on the Wilkesburg grounds. It was a pitchers battle between Harry Symes of Sewickley team and Al Mamaux of Wilkesburg and it certainly was a grand battle each having 10 strikeouts Mamaux allowed but four hits and Symes was hit for eight bingles. Danny Hart at short for Wilkesburg put up a grand article of ball and at the bat connected for two bingles. Red Sullivan again demonstrated his ability as a catcher by steadying Mamaux at critical stages. Peters for Sewickley caught a nice game and also had a nice two sacker. H. Mason at second also put up a good game considering the condition of the grounds.

Before one of the largest crowds of the season Kansas City and the Filpino split even in a double-header at Exposition Park yesterday afternoon. The Packers by heavy hitting easily won the first game, knocking Harry Symes, the Bellefonte Academy boy from the mound, 8 to 1.

Pitcher Harry Symes, the Bellefonte Academy pitcher, who pitched here against the Lyceum team, has become a member of the Pittsburgh Federal league team. He has been winning his games and going along fine.
The fight scheduled between "Ho

rears the game might have been a record breaker.

Harry Symes, the Sewickley boy, opposed the veteran Charley Fiske. Both pitchers twirled good ball, with Fiske having a little the best of the argument. Harry Bevans, formerly with Huntington, but owned by Columbus of the American Association, covered third for the FIs and made a good impression.

The game was played as follows:

SEWICKLEY Y. M. C. A. TO HAVE FAST BALL TEAM.

The Sewickley Y. M. C. A. is to be represented by one of the best amateur ball teams in the Ohio valley. Last year the team made a creditable showing, finishing second in the Pittsburgh District Y league and only losing out in the final game of the schedule to McKeesport. In addition to the regular schedule many games were played with the best teams available and the Y boys won a creditable number. This year the team will schedule games with the best teams available.

McPherson, who made a splendid record last year in the box, will be on hand to "shoot them across." Harry Symes, the old United States league star who last year proved that he had lost none of his old cunning, will also be there as will Bob Anderson. These three men should take care of the pitching in fine shape. Most of the catching will be
