LIKES HIS TEAM. Manager Hill is very well satisfied with his new team, and will probably make no changes, unless it is in the box. Brennan, who pitched for Hill in Des Moines last year, came here with a lame arm and has not been able to get in shape, but it is some days until the championship season opens and Brennan may round to all right. Mahaffy is not a "cinch" as yet, but Lyons and Ashton have earned a place on the team permanently. Shannon handles himself well, but has been unfortunate</p>

main at home.

Jack Brennan, who was released by Rockford some time ago, has been taken on by Cedar Rapids again and will return to the team immediately.

Started 1901 with Cedar Rapids, went to Rockford, and then back to Cedar Rapids.

Manager Bill Kreig of Chattanooga has signed several players well known in this city for his 1902 team. Catcher Roth is on his list, as is Charley Pease, who played with Rockford for a time. Harry Schlafley is with Kreig and old Tom Kiernan, formerly with Decatur, will be on the pay roll. Jack Brennan, who pitched for Cedar Rapids and later took his beatings regularly while a member of the Rockford team, is with Kreig.

L. G. Post, Thomas Dougherty and James Snook, men who have shone as stars in the South Dakota and the Chicago City League, have been signed for infield work. John Brennan, a Cedar Rapids pitcher, Kreig thinks he will rank with the best in the league. Fred Steele, a man who did excellent box work for Omaha last year, is another pitcher that Kreig expects to do great things.

for himself as a batsman and base runner. Brennan, the new pitcher, is a splendid twirler and will do wonders in the box. He is a player of experience and will be heard from when he commences tossing. He is a Chicagoan.

more.  
The Southern league is recruited largely from Chicago's roll of players. Chattanooga takes Jack Brennan, Charley and Walter Pease, "Red" Post, and Tom Dougherty, while Little Rock has signed Frank Martin, Mickey Ryan, "South Paw" Scopee, Eddie Lynch, and Shorty Uhler. George Rietz will play with Nashville, and both "Kid" Gleason and Alphonse Kern will go back to Memphis.

## The Daily Review

St Joseph, Mo team for the summer  
Jack Brennan a Chicago product who played with Cedar Rapids last season has concluded that Chattanooga is a desirable location for baseball purposes and has signed with that team Charles and Walter Pease have made the same choice. The former played with Decatur last year and the latter was on the Ashland Wis team

**Brennan Was Hit Freely.**  
Jack Brennan did the twirling for the visitors and the flaxen-haired gentleman was touched up lively for several rounds. Besides throwing the ball against the Barons' bats Brennan grew a trifle wild and several of the local citizens strolled down to first without the slightest worry. The feature of the game was the wrangling and uncertainty of the umpire's decisions. Mace is a good fellow and tries to do right, but yesterday was bad on his eyes and several out-breaks followed. There were kickers in blue and kickers in grey, but after all the decisions, whether wrong or right, could not have changed the result of the game.

agency and consequently the fans present witnessed a battle for supremacy which has not been excelled very often this season. Jack Brennan, who hails from the Southern league and was recently signed by Rock Island, did the slab work for the home team and he proved his ability as a twirler. Against Brennan was pitted Welgand, who did splendid work for his team. A coincidence in connection with the work of the pitchers is that each allowed but five hits, gave four bases on balls

#### Gets the Money

All baseball fans will remember "Jack" Brennan, who played with Rock Island for about a month last year, filling the position of fielder and pitcher. Jack came here from the south and before he came had telegraphed his terms to the association. The terms were accepted, but when Jack left the club found to his sorrow that the terms he gave the telegraph operator were not the ones the association had accepted, there being about \$100 difference. This was due to an error in transmission on the part of the operator and Jack took the matter into a justice court in Chicago where it was decided the company must pay.

the bench.  
Jack Brennan, once a twirler on Rockford's Three I league team, really saved the day for Aurora. Jack is supposed to have long since become a candidate for Oslerizing, but he continues in the game, his principal stock in trade being a slow floater which is easy on the arm and can be caught by a man seated in a rocking chair. The Rockford lads couldn't do anything with Brennan. In the eighth inning with a runner on third the veteran struck out three men, something which hasn't happened to the Rockford team this season. The visitors made only two hits off him and incidentally he figured in the run-making on his own side, getting two hits and scoring twice.
