Lee will do much of the pitching himself, but is not going to rely altogether on his own arm. The other man will be Brophy who twirled for St. Clement's in the Toronto senior league in 1903. Last year Brophy was in the box in the provincial league in Quebec. **Brennan** who is reputed to be a good man played in the Toronto senior league for the last two seasons. In writing to a friend in this city Lee said he would have his team all signed by March 21st, the time that the league meets.

Brennan, who played with the Wellingtons of Toronto last year, will play short. Brophy of Toronto will be given a trial in the box. Bates of the Royal Canadians will play first bag, and will be alternate catcher. Dinny Burke will likely take care of the second sack. Scotch

Referred to as Johnny Brennan

Manager Bill Rutherford of the junior champions has unearthed a home man who rejoices in the name of Brennan. There is something in a name sometimes, but this particular Brennan is a brother of the famous Shamrock men. Lacrosse seems to have been in the family, and Bill Rutherford's find can do expert stunts with the stick. He has got a job in this city and says he does not want to play professional, so it looks as if he were billed for the juniors.

#### Jack Brennan.

Jack Brennan has been playing third base for the Packers in all the exhibition games pulled off so far. He is a youngster with a lot of life and has been fielding his position very well. He has not shown up as well at the bat as some of the other players, but scrutinizes the ball very carefully when it is pitched to the plate, and by his good judgment in letting the bad ones pass has been given free passage to first a number of times.

#### TWO MORE MEN ARE SOLD.

##### Brennan and Thompson Will Go to Waterloo Club.

Jack Brennan, third baseman, and Henry Thompson, pitcher, who have been working out with Manager Carney's squad of ball players, have been sold to the Waterloo club in the Iowa State league. President Frank Duncan was informed to this effect in a telephonic communication from Carney, who is with the team at Vermillion. Both players came to Sioux City yesterday morning and will go to Waterloo at once.

Jack Brennan of last year's professional Brantford ball team has been signed with Sioux City for next season.

With Brantford in 1905? Came from Toronto before that? Signed with Sioux City in 1906, then farmed out to Waterloo.

Lawrence will have a better team than last year if the present prospects count for anything. Brennan, who comes from Toronto, is playing at short and is away ahead of any candidate last year. He played for a while last season with Jack Carney at Sioux City, but when he injured his leg was farmed out to Waterloo in the Iowa State league. In case Brennan does not stand the pace, Courtney, Powers or McKenzie will be tried there.

LAWRENCE, April 27, 1907.—Lawrence opened the New England League base ball season in this city, to-day, by defeating Brockton 1 to 0. Lawrence's one tally was the result of a base on balls to Eaton who stole second and came home on a clean single. McKenzie, who covered first base for the local nine, was released after the game.

League.

Sumner Follansbee has returned to his home in this city, says the Haverhill Gazette, having been released by Manager Winn, of the Lowell club. Jack Brennan, who has been playing short and first base for Lawrence, has been signed to play the third bag by Winn. It was Brennan's throw that struck Burroughs in the head and bounded off in the grand stand, allowing New Bedford to score four runs and win Monday's game.

To judge by his work against Fall

Since Johnny Brennan was let go by Lowell, he has received many offers, one from a team in the Eastern League. Jack has not made up his mind as yet, but he will in all probability accept the offer from the Eastern League.—Lawrence Telegram. Rodents! Brennan would not fit in even in the "Squash League."—Lowell Mail. The Providence Ball Club is finding

Tommy Uniac, who has been playing shortstop for the Haverhill New England League nine, will quit the team to-day to take a brief vacation before resuming his studies at the Dartmouth Medical College. Manager Hamilton has engaged Brennan, who formerly played with Lawrence, to take Uniac's place for the rest of the season.

**TEAM COMPLTE.**

Manager Paige, of the Hamilton Baseball Club, has decided not to sign any more outside players until after the opening of the season, on May 7. He has eight good men, several of them being college players, and they are due here early next week. He intends to give Jack Brennan, a Toronto boy, who played with the New England League last season, a trial as well as Maxey, Howe, Howard, Bradley, Bradford, Muir, McLeod, Simpson, Carr, Lanning, Henness, Ross and Hackbush of last season's Hamilton City League.—Hamilton Times.

Bulletin Special.

Toronto, April 20.—The following are signed by Denny McGuire to play on the Edmonton baseball team in the Western Canada league this season:

Catchers—Nye, Toronto; Burridge, Youngstown; Downey, Fort Wayne.

Pitchers—B. McNeil, Rochester; (Eastern League); L. Potts, New York State League; Barnstead, Dorchester; T. Smith, Toronto; Clements, Peterboro.

First base—To come from Burlington.

Second base—Jack Gragone, Empire State League.

Short stop—Denny McGuire, Toronto.

Third base—**Brennan**, New England State League.

Outfielders — Murphy, Peterboro; Binus, Peterboro.

McGuire has a couple more pitchers in view which he expects to sign shortly. The players will report in Toronto on April 26th.

Third base—Johnny Brennan. This will be Jack's third season as an Eskimo and it should be his best yet. Bats left.  
In addition to these men, Deacon has

outs, having 191.  
World was also received at baseball headquarters that Jack Brennan has reported to Seattle and stands a good chance of making the third base job on that team. Brennan has as competitors Chick, and Bues, and as Brennan is a particularly showy player, who gets away well at the beginning of the season, there seems to be no reason why he should not be the regular third sacker. But Dugdale will have to settle up with the Edmonton Baseball club before he can have a clear claim to Brennan's services. Jack signed with Seattle on Feb. 28th., while still the property of the local club, and the case is now in the hands of President Farrell. In case Dugdale wants Brennan very much, Deacon is willing to take a couple of players in trade.

Liezle and Chick with Him—

The third base problem on the Edmonton team, which was causing Deacon some little worry, was solved yesterday when a wire was received from Johnny Brennan stating that he was at liberty to report here. Though Jack made good impression at Seattle, he was not quite fast enough to dislodge Bues from the third base position and consequently he will get another year's seasoning in Class C.. Dugdale wanted to turn Brennan over to one of the teams in the Union League, but he cannot do this as the third sacker is the property of the Edmonton club and will report here next week. Jack also stated in his letter that Pitcher Liezie and Outfielder Chick are to be let out and asked Deacon if he desired their services. It took Deak just about a second to decide that he wanted them both in the worst possible way and he rushed to the telegraph office and notified Dugdale to that effect. They will probably report with Brennan.

There was a big shakeup in the ranks of the Edmonton Baseball club last night as an immediate result of the poor showing made by the Eskimos in the double-header against Saskatoon when both games were lost and some yellow baseball was indulged in. Deacon has been thinking of letting a

#### BRENNAN'S GOOD WORK

The Spokane Review, speaking of a recent game in that city between Victoria and Spokane, has the following to say concerning the playing of Jack Brennan, who is at present holding down right field for the Islanders.

"Brennan made one of the greatest catches ever seen on the field when he speared Melchior's sure three-bagger in his gloved hand, leaping frantically in the air after a long run."

LACROSSE PLAYERS ARRESTED

## BASEBALL STARS NOW IN CALGARY

Standridge, Steve Kelly and Jack  
Brennan All Arrive On the  
Same Day

Jack Brennan, erstwhile Edmonton shortstop, but just now on the roster of the Victoria team of the Northwestern League, is at present in Calgary on his way home to Toronto, Ont. Brennan will be with the Islanders again next season. Steve Kelly, centre fielder of the Moose Jaw champions, is also a visitor in Calgary, acting as travelling companion for Brennan. Steve is on his way to the World's championship series and will have to get a big hustle on if he expects to arrive at the Polo Grounds for the first game.

## BRENNAN IS IN DEMAND

Jack Brennan, former shortstop of the Edmonton B.B. Club, has certainly made good in the Northwestern League, with the Victoria Club. The Islanders found themselves without the service of a manager for 1912, as the National Commission disallowed their claims to Ducky Holmes, so are searching around for a new leader. They wished to secure Lou Nordyke from Spokane but there is no chance of the deal going through as the only Victoria player the Spokane magnate would take in trade was Johnny Brennan. The Colonist says: "Cohn offered to trade Nordyke for Brennan, the Victoria shortstop, who led the team in individual batting at the end of last season. The Victoria directors refused to lose such a valuable man and the deal fell through."

## VICTORIA TEAM CRIPPLED

The Victoria Bees, who are breezing along at the top of the Northwestern league standing, have sustained two serious reverses lately, in the way of accidents to players. Nordyke, the hustling manager, is out of the game with a broken leg, and will be unable to play for the remainder of the season, while Jack Brennan sprained an ankle the other day when sliding into third sack. Jack will be out for some time. Notwithstanding this, the Bees manage to win more games than they lose.

### BRENNAN IS TRADED

Jack Brennan, who went from the Edmonton Baseball team to Victoria in the Northwestern league last season, and has been holding down third base for the Class B club, has been traded to Tacoma for Yohe, and in future will be a teammate of Pete Morse, who holds down the short stop position on the Tigers.

### BRENNAN MAY REPORT

Jack Brennan, the only really-truly third sacker that Edmonton ever had, may be seen in an Edmonton uniform before the week is over. Jack was released a few days ago by Tacoma in the Northwestern league, to whom he had been traded by Victoria, and would strengthen the local club in its only weak spot. Transportation has been already sent to John, with orders to report at once.

### Jack Brennan Sold

Jack Brennan has been sold by the Edmonton club to Red Deer and will help Bill Hurley out in his dash for the pennant. Yesterday was the last day the clubs had for strengthening up for the post season games, Hurley signing Brennan and Naverson. Julie Streib will stand pat on his present team for the crucial series, and thinks with Standridge, Barenkamp and Myres working right he will be able to defeat the Roadsters. During the remainder of the season Sammy Price will hold down shortstop for the Gray Birds, with Borleski on third, Dudley second, and Isbell first.

### BRENNAN AT TORONTO

(Hamilton Spectator)

Among the candidates working out for a position with the Toronto Beavers, as the Queen City Canadian League club is known, is Jack Brennan, the infielder, who was with the Hamilton club in the old International League of six years ago. Brennan has been playing ball on the coast in recent years, and has only recently drifted back home. Another Toronto player well known to local fans
