The Spring Avenue Athletic Club lost their first game of the season to the Nonpareils when they were beaten by the score of 10 to 8 after a hard fought twelve-inning game in which the pitching of Roy Schaefer, brother of George Schaefer of the Ben Millers, was the main feature. In five games played by the Spring Avenue A. C. Roy has made his opponents saw the air fifty-nine times.

Herrmann, a star, will catch him. Manager Tate Brady of the Wabadas has signed Roy Schaefer, an 18-year-old brother of the once promising Slim Schaefer. The young Schaefer is, like his brother, a pitcher. Ed Farber of the Moose Club says that he is a real crack. Brady has also signed Aubuchon, a big hitter, and has lined out for a few good outfielders.

## Schaefer Some Pitcher.

Roy Schaefer is some sweet pitcher, in fact, Roy won't deny it. Nothing pleases Roy better than when his manager assigns him to pitch against the strong teams. Schaefer has been doing some real pert pitching, and has been doing his share of the batting. Last Sunday he poled his second home run of the season, while his one-base pokes are too numerous to mention.

Independent League champions have used him but rarely of late. He is Roy Schaefer, a tall right-hander. In the six and one-third innings that he pitched he allowed but four hits, but unfortunately for the Ellerman cause he allowed three of them in the sixth inning which resulted in the scoring of the fourth and winning Wagner run. He is not charged with the defeat as his team was at no time during his term tied with or leading the Wagners. Both managers sur-

## SCHAEFER BROTHERS TO PLAY IN MINORS

Another Muncy League star who will go out into minor league company this year is Lee Schaefer, a third baseman, who played on the Tate Motor Company team last season. Schaefer compiled a batting average of .421 for the 1920 campaign. Lee goes to the Henrietta club of the new Southwestern League. He is a brother of Roy Schaefer, also a former Muncy favorite, who has been booked for a tryout with the Galveston club of the Texas League.

## Roe Schaefer Is Released to Lake Charles Club

The release of Pitcher Roy Schaefer to the Lake Charles (La.) Independents was announced yesterday by Manager Ellam of the Sandcrabs. Schaefer left for the Louisiana town at 5 o'clock last night. He came to the Sandcrabs from the Lake Charles team last fall, having played with that outfit in 1920. He expressed delight at the transfer yesterday, inasmuch as Lake Charles is his home town, and his wife and family reside there. He declared he had been in bad health since arriving in Galveston, brought about, he believed, from the unfamiliar drinking water. The year before last Schaefer had played with the Bay City (Tex.) team, and the manager under whom he played then will be in charge of the Lake Charles nine this summer. Schaefer expressed great admiration for Manager Roy Ellam of the local club, and declared him to be a leader for whom any player ought to be willing to work his best.

**SPEAKING** of neat pitchers, what do you think of Schaeffer? He's a youngster, and from Lake Charles. Chances are the red-necked boy will make good, too. He went for three innings yesterday, and was going like a baby cyclone when the end came. He needs experience, but leave it to Billy Smith for giving him that. Come to think of it, silly gets his hand on some mighty pretty players in rounded form. Schaeffer may not wear a big league label—this year, but later on, oh, oby!

**crowds at Gasser rate.**  
Here's a tip to Billy Smith—try Roy Schaefer as a pinch hitter. It is said he is one of the most reliable men to come through with a hit when a hit is needed. He has been used as a pinch pitcher. Let's see his ability as a pinch hitter.

Jackson will be a thing of the past. Schaefer, another southpaw from the Texas League, who comes directly from Shreveport, is slated to twirl this afternoon for the Sox, and it is understood that Manager Bell will send in Boyd, not Hugh, but another motndsman from the Memphis Chicks, who hails from the West Texas League.

Pitcher Bob Loomis, young right-hander, who worked last season in the Delta League, today reported to the Gassers. Loomis was a member of the Ohio University this season.

Roy Schaeffer, relief twirler of the Gasmen, today was sent to Jackson of the Mississippi State League.

at Monroe; Eibel Is Found  
for Fifteen Hits**

Monroe, La., Sept. 25.—Monroe defeated the Shreveport baseball team here today, 8 to 6, after losing Saturday's contest, 10 to 5.

Schaeffer's pitching and Monroe's hitting featured the game. The Shreveport castoff held his former teammates to five hits, and pitched eight

# MONROE BESTS CLARKS IN NO-HIT GAME

Monroe defeated Clarks yesterday by the score of 8 to 1. Schaefer pitched a no-hit game, the first one turned in on the local diamond this year by any hurler. He should have had a no-run game in addition, but two errors by Stewart in the fifth inning, the only miscues made by Monroe during the game, allowed Clarks to score their only run. He fanned eleven Clarks batsmen.

Schaefer started 1921 with Galveston in the spring. He was released to Lake Charles, then played with Shreveport. From Shreveport he went to Jackson. He ended the season with Monroe.

Roy R, or Roy B?

Roy Schaefer, leading hurler of the Utica New York-Pennsylvania club, who lost out to Harrisburg in a hard fought battle Monday, left Utica immediately after the contest to go to St. Louis, where he is to be married to-day to a young woman of that city. He will rejoin the Utes next week. Schaefer has turned in four of the eight victories Utica has gained to date, and has lost five tilts. Dockery, former Harrisburg out-

League.  
Manager McConnell, of the Utes, has fined and indefinitely suspended Roy Schaefer, one of his mainstays on the mound, because he failed to report following a granted leave of absence.

Schaefer married Mary Snyder in June in St. Louis.

PARIS 14, SULPHUR SPRINGS 9  
Special to the News  
Paris, June 3.—The Bear Cats won a slow and uninteresting game from the orphaned Sulphur Springs Spartans here today by a score of 15 to 9. The locals played with a makeshift club, several of the regulars being out of the lineup. Clabaugh craked out another home run today, his fourth in three days. Dockery and West, former members of the Spartans left here today to join a club in the Cotton States League. Schaeffer from the Western League, joined the Bear Cats today.

games start at 4 o'clock.  
Pitcher Schaefer has been sent to the Paris club. "Boots" McCarthy was given his outright release, in spite of the fact that he was the leading hitter of the club. He promptly caught on with Muskogee and distinguished himself yesterday in his first game. McCarthy's arm is not good enough to win a place in the outfield where he might otherwise be able to play, Manager Snapp said. In addition, he is a class man.  
Pitcher Simmons was given his outright release.

turned to that club.  
"Chick" Mattick, Okmulgee manager, announced that he had obtained "Chuck" Epley, a second baseman, from the McAlester club of the Western Association and that Roy Schaeffer, a right-hander, who refused to report earlier in the season, has accepted terms. Schaeffer formerly played with the Paris club of the East Texas League.

1925 in Okmulgee and Paris, 1926 back in Okmulgee, 1927 in Okmulgee to start the season

Roy Shaffer, local right hander, making his second appearance of the season with the Drillers, was ineffective and spotted the Jayhawkers to a handy lead in the first three innings before he was taken out for House and the invaders walked off with the long end of an 8 to 3 count.

Shaffer started out by issuing a walk to Erwin. Sanders, next man up, struck out, and Erwin was caught in a trap on an attempted hit and run play, Mealey to Chesbro. Froman ended the inning by going out, Epley to Chesbro.

Schaeffer, a third baseman, who was sent here by the St. Louis Cardinals, has been turned back to that club with the option of recall if needed. This boy looks good but Dr. Sanderson does not want to use players belonging to any other club if he can get players of his own that show equal ability. Then when some one higher up buys one of his players, he will get the sale price himself.
