Timothy Brosnan.
"Tate" Brosnan, as he is called by his associates, was born in New York City twenty-four years ago. He weighs 150 pounds, and is 5 feet 8 inches high. He commenced his professional career two years ago with the Atlantics of Brooklyn as centre fielder and catcher, and last year played second base for the Springfields. He led his club at the bat and stood second in fielding. This year his services were secured by the champions to cover second base, in which position he excels and leads the League. As a batter he ranks among the foremost. "Tate" is a hard worker, and by his cool judgment as a captain greatly assisted the champions in many a game.

Born 1861 or so

Tim Brosnan, 2d base and captain, is 5 feet 8 inches in height and weighs 160. He played in 1885 in Brockton, in the N. E. League, standing first among second basemen with a batting average of .313. Last season he played with Bryan at Charleston, being captain of the team and standing third as second baseman in that association. From there he went to the Brockton N. E. League, and stood first among the second basemen of that league, with a batting average of .314. He is a quick, sharp hitter, and a fine base runner, and a better second baseman never played. As a captain on the ball field he is second to none. He is called Pap Brosnan by the players, although he is young, being only 26 years of age.

TIM BROSAN.

Captain Tim Brosnan, of last year's Des Moines, and with Minneapolis the coming season, writes as follows, under date of Brooklyn, N. Y., Jan. 30. The letter fully explains itself:

"I see by the Sporting Life that some reporter in Des Moines claims that I drank just as much as Veach. I have nothing to say about Veach, nor have I ever had anything to say about him. It is not fair for a man to be run down when he is not near to defend himself. If I drank as much as this gentleman (?) claims, I do not see how I played every game—both championship and exhibition—that the Des Moines team contested during 1887. I have signed with Minneapolis and such a statement as this is probably done to injure me. I do not

Manager Walter Burnham of the New Haven team says: "I have just signed Dan Lally of Jersey City. He plays first base. I had engaged Carney of last season's Buffalo Players' League team, he having accepted my terms, but he jumped to the Cincinnati Association team. I also signed W. F. Horner, the pitcher, and Tommy Forster to-day. Forster will cover third base. Fetter, who played second base for me last season, having jumped to the Association, made it necessary to secure another second baseman, and I have got him in Tim Brosnan of the Western Association."
